Welcome!

Inspired by the twisted genius of author Roald Dahl, the Tony Award-winning *Roald Dahl's Matilda The Musical* is a captivating masterpiece from the Royal Shakespeare Company that revels in the anarchy of childhood, the power of imagination and the inspiring story of a girl who dreams of a better life.

Matilda is a little girl with astonishing wit, intelligence and psychokinetic powers. She's unloved by her cruel parents, but impresses her school teacher, the loveable Miss Honey. Over the course of her first term at school, Matilda and Miss Honey have a profound effect on each other's lives as Miss Honey begins not only to recognize, but also appreciate, Matilda's extraordinary personality. Matilda's school life isn't completely smooth sailing, however - the mean headmistress, Miss Trunchbull, hates children and just loves thinking up new punishments for those who don't abide by her rules. But Matilda has courage and cleverness in equal amounts, and could be the children's saving grace!
